

**JOB TITLE**                      **Event Operator**  
**Would suit general handyman, maintenance handyman, labourer.**

**REPORTING TO**                **Event Service and Facilities Manager**

**Role**

Grandstand Stoneleigh Events has grown through the last 18 months and in 2019 will deliver over 260 events. This increase has led to a need for additional event services operative with a general handyman background who will help maintain the venue and help in the delivery of a range of events including National Sporting Events and International Exhibitions.

**Duties and Responsibilities:**

As a team member you will assist on the physical delivery of event including:

- set up prior to event
- breakdown after event
- event support during events
- general labouring
- general handyman
- grounds maintenance

**Hours & Flexibility**

Hours will vary, but include weekends, early mornings and late evenings. It will fluctuate weekly depending on event demand but would suit someone looking for a few days work a week, maybe a retiree or a small business owner wanting to supplement their own business. Depending on candidate we are happy to offer a zero-hour contract, or an annualised hours contract based on 16-20 hours per week.

**Skills and Experience**

**Essential**

Proactive approach to work  
Team player  
Able to work by themselves using initiative  
Driving Licence

**Not Essential but Preferable**

Trade skill  
Handyman experience  
Folk Lift Licence  
Experience with Cherry Pickers/Scissor lift

**To apply**
